

Proposed 2027 Rule Changes

Updated 9/26/26

These are the proposed rules for 2027 for discussion purposes. The final rules package will be published January, 2027.

Sportsman Mudboss/BL-2 Mudboss

Classes will be phased out in 2026 as a weekly class and will not be a weekly class in 2027

Losi Sportsman *New*

- This will be the 2027 class for young and new racers
- Losi Sprints or Losi Late Models will race together
- When numbers allow, we will split them up
- We recommend the Losi Late Model to be the entry-level kit

Losi Sprints and Losi Late Models

- Any Losi Spring made for those kits can be used
- Any brand ball cup can be used to replace the gray Losi stock cups

Midget Sprints

- Rubber Phenoms/Quasi or Foam Tires on BSR hex rims??
- Split the class into a rubber tire class and a foam tire class???
- No other rule changes are being considered

Nitro Late Model

- Any .12 engine will be legal
- OS .12TG or SH .12 engines recommended

21.5 Late Model

No changes

17.5 Late Model

Any ROAR approved 17.5 motor including pre-2026 approved motors ("Grandfathering" current ROAR approved motors) The "Outlaw" 17.5 motors that manufacturers are producing will not be allowed.

17.5 Stock Sprints

Any ROAR approved 17.5 motor including pre-2026 approved motors ("Grandfathering" current ROAR approved motors) The "Outlaw" 17.5 motors that manufacturers are producing will not be allowed.
